*The "Fareway Membership" is another level of membership we offer here at the Rutland Country Club. This is a prepaid membership. Members chose which level best suits them and prepay at the prices listed. When they check in at the Pro Shop, their accounts would be charged for greens fees depending on the time of day and day of week (see greens fee chart below). Members can also charge to their accounts in the restaurant. A monthly statement will be mailed or e-mailed showing all activity. Members can add onto their accounts as their balances diminish. It **can not** be used for Pro Shop purchases, other than greens fees or carts.*

This membership runs from January to December 31st, so your prepaid balances needs to be spent by then.

If you have questions on this program, or would like to sign up, please call 773-7061 or come to the office for an application.

GHIN fees are not included but may be purchased with your Membership in the office
